Dr. S.Gopi Krishna, the Principal, chaired the meeting and welcomed all the members to the 1st Academic Council Meeting. After a brief presentation of the profile of the Institute outlining the academic activities and procedures being carried out on the campus, the following points on the agenda were discussed and due resolutions were passed.

SMCE/MR23	To consider and approve the members of the Board of Studies of each discipline
------------------	--

Proposal

Based on the recommendations of the officials of JNTUK, the parent university, names of the subject experts were proposed and presented to the academic Council for approving their names to be included in the Board of Studies in each discipline.

Discussion

The Chairperson placed the list of subject experts in each discipline for personal and approval of the Academic Council. The Academic Council examined the names of the subject experts in detail.

Resolution

The Academic Council approved the members of Studies of each Discipline with immediate effect. The list of the members of Board of Studies of each discipline approved by the Academic Council is given below:

AC/MIC18/01/02

To consider and approve the Academic Regulations of UG Programmes

Point of Discussion 1: Promotion of Students Based on Credits

Proposal

It was proposed that a student be promoted to V semester if he/she fulfills the academic requirements of 50% of the credits up to III semester or IV semester from all the examinations, whether or not the candidate takes the examinations besides securing prescribed minimum attendance in IV semester and a student shall be promoted to VII semester if he/she fulfills the academic requirements of 50% of the credits up to V semester or VI semester from all the examinations, whether or not the candidate takes the examinations besides securing prescribed minimum attendance in VI semester.

Discussion

The Academic Council studied the proposal in detail and meticulously reviewed its merits.

Resolution

It was resolved that a student be promoted to V semester if he/she fulfills the academic requirements of 50% of the credits up to IV semester from all the examinations, whether or not the candidate takes the examinations besides securing prescribed minimum attendance in IV semester. It was also resolved that a student shall be promoted to VII semester if he/she fulfills the academic requirements of 50% of the credits up to VI semester from all the examinations, whether or not the candidate takes the examinations besides securing prescribed minimum attendance in VI semester.

Point of Discussion 2: Syllabus for Mid-term Exam

Proposal

The following is the syllabus proposed for conducting Mid-term exams:

Mid-1: Unit-1(Part -A & Part-B), Unit-2 (Part- A & Part-B) and Unit-3 (Part-A)

Mid 2: Unit-3 (Part - B), Unit-4 (Part- A & Part-B) and Unit-5 (Part- A & Part-B).

Discussion

The Academic Council took this proposal up for discussion and suggested a few amendments to the syllabus for Mid-term exam.

Resolution

It was resolved that there shall not be any division like part A and part B. It was also resolved that the syllabus for the Mid-term exam shall be distributed in the following pattern:

MID-1: Units I, II and III (First 50%)

MID-2: Units III (Second 50%), IV and V

Point of Discussion 3: Question Paper Pattern for Semester-End Exam

Proposal

The proposed question paper pattern for the semester-end exam consists of two parts-Part-A and Part-B. Part-A of the question paper consists of 5 questions of two marks each and the student shall answer all the questions. Part-B of the question paper consists of 5 questions, each question with internal choice (one question from Part-A of the unit and the other from Part-B of the unit) from each of the five units, for 12 Marks. The student shall answer all 5 questions.

Discussion

The proposed question paper pattern for Semester-end Exam was perused and the Academic Council studied the proposal and recommended a few changes in the question paper pattern. As per the discussion, no change was proposed in terms of Part-A of the question paper.

Resolution

The Academic Council resolved that the Semester-end Exam shall be conducted for 3 hours duration at the end of the semester and the question paper shall be given in the following pattern:

- a) **Part A:** It contains 5 questions of 2 marks each for all theory courses. The student shall answer all questions.

b) Part B: It contains 5 questions, each question with internal choice from each of the five units for 12 Marks. The student shall answer all 5 questions.

Point of Discussion 4: Internal Evaluation for Theory Courses

Proposal

It was proposed that each course be evaluated for 30 marks as part of internal evaluation.

1. Two Unit Tests, each for 20 marks and of 40 minutes duration, shall be conducted and reduced to 10 marks. The final Unit Test marks shall be awarded giving a weightage of 70% of the Unit Test in which the student scores more marks and 30 % of the Unit Test in which the student scores less marks.
2. It was also proposed that two Mid-term (Mid - 1 and Mid - 2) Examinations, each for 15 marks and of 90 minute duration shall be conducted. The final Mid-term marks shall be awarded giving a weightage of 70% in the Mid-term Examination in which the student scores more marks and 30% for the Mid-term Examination in which the student scores less marks. The question paper shall contain three comprehensive questions with internal choice from each of the units, for 5 marks. The student is required to answer all the questions.
3. A weightage in internal marks up to a maximum of 5 marks shall be given, out of 30 marks, towards Assignments.

Discussion

The Academic Council studied and verified the proposed internal evaluation criteria for theory courses.

Resolution

The Academic Council appreciated the pattern that was proposed for internal evaluation for theory courses and ratified it.

Point of Discussion 5: Computation of Grades

Proposal

It was proposed that the Semester Grade Point Average (SGPA) be calculated as $SGPA (S_i) = \sum (C_i \times G_i) / \sum C_i$ where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course and Cumulative Grade Point Average is calculated as $CGPA = \sum (C_i \times S_i) / \sum C_i$ where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester. The SGPA and CGPA is rounded off to 2 decimal points and reported in transcripts as Equivalent Percentage = $(CGPA \times 10) \times 10$.

Discussion

The Academic Council held a detailed discussion on the computation of grades and proposed to amend the clause regarding equivalent percentage.

Resolution

It was resolved to calculate the equivalent percentage in the following way:
 Equivalent Percentage = (CGPA-0.75) x10.

Point of Discussion 6: Evaluation of Labs

Proposal

It was proposed that all the labs be evaluated for 100 Marks: Internal 30M + External 70M. Marks for internal lab exam are proposed to be distributed in the following manner:

Internal Test	15M
Record	5M
Day-to-day Performance	10M

Discussion

The Academic Council, having taken into consideration the importance of evaluation, made a few suggestions regarding the evaluation of labs.

Resolution

It was resolved that the labs be evaluated for 100M: Internal 40M + External 60M. It was also resolved that the internal labs be evaluated observing the following criteria:

Internal Test	20M
Record	5M
Day-to-day performance	15M

MBA

Point of Discussion 1: External Question Paper Pattern for M. Tech, MBA

MBA

It was proposed that the external question paper for M. Tech. and MCA shall consist of 8 questions out of which the student shall answer 5 questions (each question carries 12M). The external question paper for MBA shall consist of 8 questions out of which a student shall answer 5 questions (each question carries 10M) and one compulsory question (10M) on case study.

Discussion

The Academic Council verified the proposed external question paper pattern for M. Tech., MCA and MBA and proposed amendments in the pattern for enhancement of quality in terms of evaluation.

Resolution

It was resolved that the Semester-end Examination for M. Tech. and MCA shall be conducted for 60 marks where 5 questions, given from each of the five units, are to be answered with internal choice. It was also resolved that the external question paper for MBA shall consist of two parts: Part A and Part B. Part A is a compulsory case study question for 10 Marks and Part B consists of 5 questions with internal choice for 10 marks, from each of the five units.

The Academic Council perused the proposed program structure and the syllabus and suggested to reduce the number of units to five instead of six in each subject. The Council was highly satisfied with the other components.	To consider and approve the I B.Tech. (I & II Sem) course structure and syllabus to be implemented w.e.f. the A.Y.2023-24

Resolution

The Academic Council approved the proposed program structure and syllabus of I MCA to be implemented w. e. f. the A. Y. 2018 – 19. The following specific suggestion given by the Academic Council was incorporated in the syllabus and was approved by the Academic Council: each subject shall consist of 5 units. The Council was appreciative of the other components.

Resolution

The Academic Council approved the proposed program structure and syllabus of I B. Tech. (I & II Sem) to be implemented w. e. f. the A. Y. 2018 – 19. The following specific suggestion given by the Academic Council was incorporated in the syllabus and was approved by the Academic Council: each subject shall consist of 5 units.

B. Tech SMCE23 ACADEMIC REGULATIONS

(CHOICE BASED CREDIT SYSTEM)

Applicable for the students of B. Tech (Regular) from the **A. Y. 2023 - 24**

1. ELIGIBILITY CRITERIA FOR ADMISSION

The eligibility criteria for admission into B. Tech programme shall be as per the guidelines issued by the Andhra Pradesh State Council of Higher Education (APSCHE) or by any other competent authority.

2. PROGRAMMES OFFERED (UNDER GRADUATE)

A student shall be offered admission into any one AICTE-approved programme as given below:

S. No.	Programme
1	Electronics and Communication Engineering (ECE)
2	Computer Science and Engineering (CSE)
3	Computer Science and Engineering (AI)
4	Computer Science and Engineering (DS)
5	Information Technology (IT)

3. AWARD OF DEGREE

A student will be declared eligible for the award of B. Tech. degree, if he/she fulfils the following academic requirements:

4 Year B. Tech programme:

- The student shall pursue a course of study for not less than four academic years and not more than eight academic years.
- The student shall register for 160 credits and secure all the 160 credits.
- The students, who fail to fulfil all the academic requirements for the award of degree within eight academic years from the year of their admission, shall forfeit their seat in B. Tech programme.

- Students shall secure a Satisfactory Grade (SA) in all Mandatory (non-credit) Courses/activities.
- There shall be no disciplinary action pending against the student.

3 Year B. Tech programme under Lateral Entry Scheme (LES):

- The student shall pursue a course of study for not less than three academic years and not more than six academic years.
- The student shall register for 120 credits and secure all the 120 credits.
- The students who fail to fulfil all the academic requirements for the award of degree within six academic years from the year of their admission, shall forfeit their seat in B. Tech programme.
- Students shall secure a Satisfactory Grade (SA) in all Mandatory (non-credit) courses/ activities.
- There shall be no disciplinary action pending against the student.

4. MINIMUM INSTRUCTION DAYS

The minimum instruction days for each semester shall be 90 days excluding the days allotted for Mid- term Examinations, Semester-end Examinations and preparation holidays.

5. DISTRIBUTION AND WEIGHTAGE OF MARKS

5.1.1 Continuous Internal Evaluation (CIE): The performance of the student in each course is evaluated by the faculty/course coordinator all through the semester; with Unit tests (Unit Test-1, Unit Test-2), Mid-term Examinations (Mid-1 and Mid-2), Assignments, project reviews, Viva-voce, laboratory assessment and other means covering the entire syllabus of the course.

5.1.2 Semester-End Evaluation (SEE): It shall be conducted at the end of each semester, as per the academic calendar and with a written examination for theory courses and practical/project examination with built-in oral part for laboratory/project.

5.3 Semester-End Evaluation

5.3.1 Theory Courses: 70 Marks

The Semester-end Evaluation shall be conducted for 3 hours duration at the end of the semester.

The question paper shall be given in the following pattern:

- a) **Part A:** It contains 5 questions of 2 marks each for all theory courses. The student shall answer all questions.
- b) **Part B:** It contains 5 questions, each question with internal choice from each of the five units for 12 Marks. The student shall answer all 5 questions.

The questions shall be framed in line with the Course Outcomes defined.

A candidate shall be declared to have passed in individual theory/drawing course if he/she secures a minimum of 40% aggregate marks (Continuous Internal Evaluation & Semester End Examination marks put together), subject to a minimum of 35% marks in Semester-end Examination.

5.3.2 Laboratory Courses: 60 marks

The performance of student in laboratory courses shall be evaluated jointly by internal and external examiners for 3 hours duration for 60 marks as given below.

S. No.	Criteria	Marks
1	Procedure/Algorithm	20
2	Experiment/Program execution	10
3	Observations/Calculations/Testing/Results and Analysis	20
4	Viva-voice	10

A candidate shall be declared to have passed in individual laboratory course/project, if he/she secures a minimum of 50% aggregate marks (Continuous Internal Evaluation & Semester-end Examination marks put together), subject to a minimum of 50% marks in Semester-end Examination.

For the courses like Computer-aided Engineering Drawing and Computer-aided Civil Engineering Drawing, the SEE is based on the following parameters

S. No.	Criteria	Marks
1	Procedure	10
2	Drawing/Model Preparation	30
3	Result	10
5	Viva-voce	10

5.4. Major Project Evaluation

A student is required to undertake a project work by using the knowledge acquired by him/her during the course of study. The student is expected to design and build a complete system or sub-system on an area of interest. A project work shall be carried out by a batch of students not exceeding 5 members, under a faculty supervisor.

i) Continuous Internal Evaluation: For Major Project, there shall be continuous internal evaluation during the semester for 30 marks. The continuous internal evaluation for the Major Project shall be on the basis of day to day assessment by the supervisor and two reviews conducted by the Project Review Committee (PRC).

The PRC consists of Head of the Department, Program Coordinator and two Senior Faculty members of department. The distribution of marks is given in the table below:

Table 6: Distribution of Marks (CIE)

S. No.	Criteria	Marks
1	Day to Day Assessment	10
2	Review-1	10
3	Review-2	10

ii) Semester-end Examination: A batch of students shall submit a duly-certified Project Report to the department on a specified time. They shall make a presentation on the project work before a three-member committee consisting of External Examiner, Internal Examiner (HOD) and the Project Supervisor.

8. MINIMUM ACADEMIC REQUIREMENTS

In addition to the attendance requirements, a student must satisfy the following academic requirements:

- 8.1 A student shall be promoted to next semester if he/she satisfies the minimum attendance requirements.
- 8.2 A student shall be promoted to V semester if he/she fulfills the academic requirements of 50% of the credits up to IV semester from all the examinations, whether or not the candidate takes the examinations besides securing prescribed minimum attendance in IV semester.
- 8.3 A student shall be promoted to VII semester if he/she fulfills the academic requirements of 50% of the credits up to VI semester from all the examinations, whether or not the candidate takes the examinations besides securing prescribed minimum attendance in VI semester.
- 8.4 Students who fail to earn 160 credits as indicated in the course structure within 8 academic years from the year of admission shall forfeit their seat in B. Tech programme and admission stands cancelled.
- 8.5 The students admitted under lateral entry scheme, who fail to earn 120 credits as indicated in the course structure within 6 academic years from the year of admission, shall forfeit their seat in B. Tech programme and admission stands cancelled.

9. SUPPLEMENTARY AND ADVANCED SUPPLEMENTARY EXAMINATIONS

There shall be supplementary examinations along with regular Semester-end Examinations for a student to reappear in the course(s) failed or not attempted.

Students who fail or absent themselves in the courses in VIII semester (Theory/Project/CVV) can reappear in advanced supplementary examinations within one month after the declaration of the revaluation results. However, the students who fail in advanced supplementary examinations shall reappear when offered next along with regular students.

10. REVALUATION

A student who wishes to apply for revaluation of a theory course in SEE can submit an application, along with the prescribed fee as per the notification issued.

- (a) If the variation in marks of the first valuation and revaluation is ≤ 12 marks of the total marks, the better of the two evaluations shall be considered as the final marks.
- (b) If the variation in marks of the first valuation and revaluation is >12 marks of the total marks, there shall be a third evaluation by another examiner. The average marks of two nearer evaluations shall be taken into consideration. In case of any fractional value of marks, it can be rounded off to the next integer value.
- (c) If a student secures a higher grade in the revaluation, that grade shall be declared as the final grade, otherwise, the original grade shall remain valid.

11. AWARD OF GRADES

A letter grade and grade points shall be awarded to a student in each course based on his/her performance as per the 10-point grading system given below:

Marks Range Theory (Max-100)	Marks Range Lab (Max-100)	Letter Grade	Level	Grade Point
≥ 90	≥ 90	O	Outstanding	10
80 to < 90	80 to < 90	S	Excellent	9
70 to < 80	70 to < 80	A	Very Good	8
60 to < 70	60 to < 70	B	Good	7
50 to < 60	50 to < 60	C	Fair	6
40 to < 50	--	D	Satisfactory	5
< 40	< 50	F	Fail	0
			Absent	0

12. COMPUTATION OF GRADES

SGPA:

The following procedure is to be adopted to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA).

The SGPA is the ratio of sum of the product of the number of credits with the grade points by a student in all the courses taken by a student and the sum of the number of credits of all the courses undertaken by a student. i.e.,

$$\text{SGPA (S}_i\text{)} = \Sigma (C_i \times G_i) / \Sigma C_i$$

where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

CGPA:

The CGPA is also calculated in the same manner taking into account all the courses undertaken by a student over all the semesters of a programme i.e.,

$$\text{CGPA} = \Sigma (C_i \times S_i) / \Sigma C_i$$

where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

The SGPA and CGPA is rounded off to 2 decimal points and reported in transcripts.

$$\text{Equivalent Percentage} = (\text{CGPA} - 0.75) \times 10$$

13. AWARD OF CLASS

After a student has satisfied the minimum requirements prescribed for the completion of a programme and is eligible for the award of B. Tech degree, he/she shall be placed in one of the following four classes on a 10 point scale.

Class Awarded	CGPA	From the CGPA secured from 160 credits (in case of LES 120 credits)
First Class with	≥ 7.75	
First Class	6.75 to < 7.75	
Second Class	5.75 to < 6.75	
Pass Class	4.0 to < 5.75	

14. DISCIPLINE

- A student is required to observe discipline and decorum both inside and outside the college and not to indulge in any activity that may tarnish the prestige of the college. The Head of the Institution shall constitute a disciplinary committee to enquire into acts of indiscipline and notify the college about the disciplinary action taken. In case of any serious disciplinary action, which leads to suspension or dismissal, a committee shall be constituted by Head of the Institution for taking final decision.
- Those students who indulge in examination-related malpractices shall be punished as per the scale of punishment notified by JNTUK, Kakinada (Annexure-I).
- Those students involved in the illegal acts of ragging shall be punished as per the provisions of Act 26, 1997 of Govt. of Andhra Pradesh (Annexure-II).

15. REVISION OF REGULATIONS, CURRICULUM AND SYLLABI

The college may revise, amend or change the regulations, curriculum, syllabus and scheme of examinations from time to time subject to decisions/recommendations of Boards of Studies and the College Academic Council.

16. WITHHOLDING OF RESULTS

If a student has not cleared dues, if any, payable to the institution or any case of indiscipline is pending against him, the result of the student will be withheld. Also, the award of his/her degree is withheld in such cases.

17. TRANSITORY REGULATIONS

- A student, who is detained or who has discontinued in the semester, on readmission shall be required to do all the courses in the curriculum prescribed for the batch of students in which the student joins subsequently. However, exemption shall be given to those students who have already passed courses in the earlier semester(s) he/she was originally admitted into and substitute courses are offered in their place as approved by the Board of Studies.
- In general, after transition, there will be a fitment formula approved by the competent authority in order to balance course composition and the number of credits.
- Students admitted by transfer from other institutions shall follow transitory regulations with suitable fitment formulae approved by the competent authority.
- A student who is seeking readmission shall apply in the prescribed format within one week after the commencement of the class work. However, the readmission of a student shall be approved by the competent authority.

18. GENERAL

- (i) Wherever the words "he", "him", "his" occur in the regulations, they include "she", "her", "hers".
- (ii) The academic regulations should be read as a whole for the purpose of any interpretation.
- (iii) In case of any doubt or ambiguity in the interpretation of the above rules, the decision of the Chairman of the College Academic Council is final and binding.
- (iv) The college may change or amend academic regulations or syllabi at any time subject to the approval of the competent authority and the changes or amendments made shall be applicable to all students with effect from the dates notified.

19. STATUTORY DECLARATION

In case the regulations do not specify application of an appropriate rule in a unique case, the decision of the competent authority of the college shall be final.

ACADEMIC REGULATIONS (MIC18) FOR MBA (REGULAR) (CHOICE BASED CREDIT SYSTEM)

Applicable for the students of MBA (Regular) from the Academic Year 2018-19

1. ELIGIBILITY CRITERIA FOR ADMISSION

The eligibility criteria for admission into MBA programme shall be as per the guidelines issued by the Andhra Pradesh State Council of Higher Education (APSCHE) or by any other competent authority.

2. AWARD OF DEGREE

A student will be declared eligible for the award of MBA degree, if he/she fulfils the following academic requirements:

(i) 2 year MBA programme:

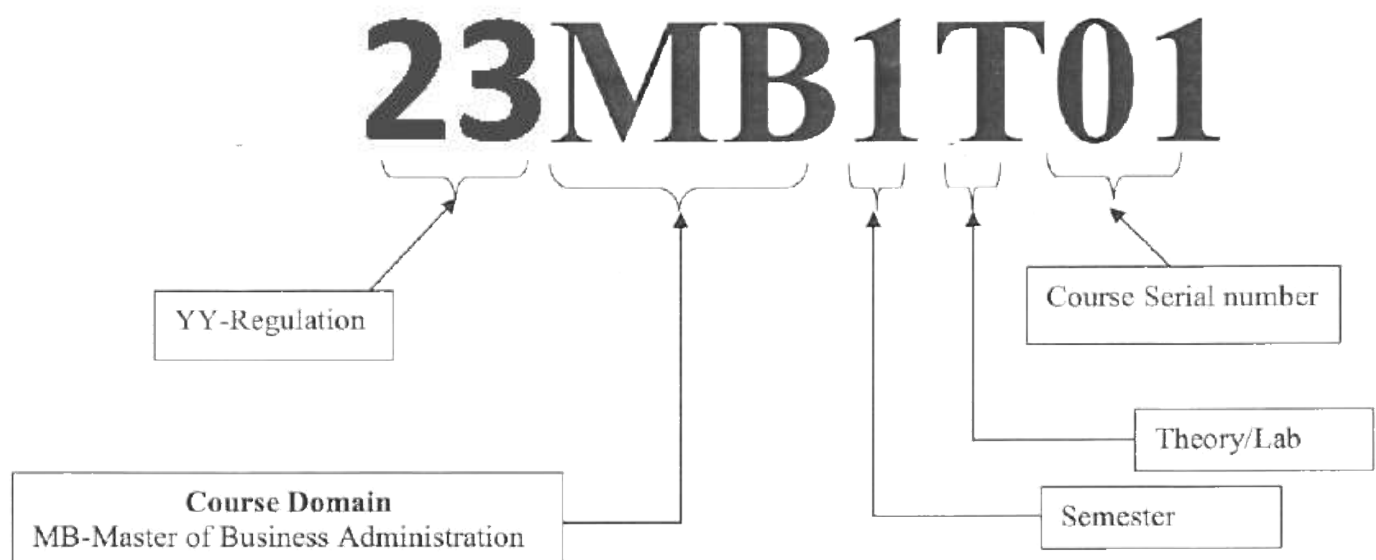

- The student shall pursue a course of study for not less than two academic years and not more than four academic years.
- The student shall register for 102 credits and secure all the 102 credits.
- The students, who fail to fulfill all the academic requirements for the award of degree within four academic years from the year of their admission, shall forfeit their seat in MBA programme.
- Students shall secure a satisfactory grade (SA) in all non-credit courses/activities.
- There shall be no disciplinary action pending against the student.

3. MINIMUM INSTRUCTION DAYS

The minimum instruction days for each semester shall be 90 days excluding the days allotted for Mid-term Examinations, Semester-end Examinations and preparation holidays.

4. Course Code Description

For MBA Programme

5. ATTENDANCE REQUIREMENTS

- (i) A student is eligible to appear in the Semester-end Examinations only if he/she acquires a minimum of 75% of attendance in aggregate of all the courses.
- (ii) In case of shortage of attendance, condonation up to 10 % in the aggregate will be allowed on valid medical grounds (65% and above and below 75%) in each semester by the college in accordance with the rules stipulated by the affiliating university.
- (iii) A shortage of attendance below 65% in aggregate shall not be condoned under any circumstances.
- (iv) A student whose shortage of attendance is not condoned shall be detained and shall have to seek readmission into the same semester.
- (v) A student is required to submit the application along with the valid medical certificate by paying the stipulated fee towards condonation of shortage in attendance.
- (vi) If any student fulfils the attendance requirements in the present semester, he/she shall not be eligible for readmission into the same semester.

6. EVALUATION

The performance of the candidate in each semester shall be evaluated subject-wise, with a maximum of 100 marks for theory & 100 marks for Laboratory Courses, on the basis of the Continuous Internal Evaluation and Semester End Examination.

(i) For the theory subjects, 60 marks shall be awarded based on the performance in the Semester-end Examination. The question paper consists of two parts. **Part A** is a compulsory case study question for 10 Marks. **Part B** consists of 5 questions with internal choice for 10 marks each from each of the five units. The student shall answer all the questions. Remaining 40 marks shall be awarded based on Internal Examination.

The Internal Examination will have two components:

a) First 20 marks are allotted for Mid-term Examination with duration of 120 minutes. The student has to answer four questions out of four questions. Each question carries 10 marks. The total marks shall be reduced to 20 marks.

b) Remaining 20 marks are allotted for Mini Report (10 marks for preparation of Report and 10 marks for presentation in the class room) in the respective subject.

Two Internal Examinations of 40 marks each will be conducted in each semester and average marks will be taken for awarding the Internal Marks.

(ii) For practical subjects, 60 marks shall be awarded based on the performance in the End Semester Examinations, 40 marks shall be awarded based on the day to day performance as internal marks. *Lab - 60 - 30 (10%)*

(iii) A candidate shall be deemed to have secured the minimum academic requirements in a subject if he secures a minimum of 40% of marks in the End Examination and a minimum aggregate of 50% of the total marks in the End Semester Examination and Internal Evaluation taken together.

(iv) A candidate shall be given one chance to re-register for each subject provided the internal marks secured by a candidate are less than 50% and he has failed in the end examination. In such case, candidate must re-register for the subject(s) and secure required minimum attendance. Attendance in the re-registered subject(s) has to be calculated separately to become eligible to write the End Examination in the re-registered subject(s).

The attendance of re-registered subject(s) shall be calculated separately to decide upon the eligibility for writing the End Examination in those subject(s). In the event of taking another chance, the internal marks and End Examination marks obtained in the previous attempt are nullified. At a given time, a candidate is permitted to re-register for a maximum of two subject(s) in addition to the subjects of a regular semester.

- (v) A candidate shall be allowed to submit the project report only after fulfilling the attendance requirements of all the semesters.
- (vi) The Viva-voce Examination shall be conducted after completion of the fourth semester End Examinations.
- (vii) Laboratory examination for MBA course must be conducted with two Examiners, one of them being Laboratory Class Teacher and second examiner shall be other than Class Teacher.

7. EVALUATION OF PROJECT WORKS

- (i) A Project Review Committee (PRC) of the college is to be constituted with Principal/Director as Chairperson, Heads of the Departments which are offering PG courses, and two other senior faculty members of the department.
- (ii) Registration of Project Work: A candidate is permitted to register for the Project Work after satisfying the attendance requirement of all the courses (theory and practical courses) up to II semester.
- (iii) Every candidate shall work on projects approved by the PRC of the College.
- (iv) A student has to undergo practical training for a period of 4 weeks in a Corporate Enterprise after the Second Semester(summer vacations). In training period, the candidates should work on a specific problem related to the elective subject. At the end of practical training, the student shall submit a certificate obtained from the organization. The student shall prepare a Project Report under the supervision of a guide from the faculty of management of the concerned college. However, the students who prepare Project Report in the area of systems can also work under the guidance of Faculty member from Computer Science Department.
- (v) Three copies of Project Dissertation (Plagiarism checked report signed by the supervisor to be submitted to the Examination Cell) certified by the Project Supervisor shall be submitted to the College.
- (vi) The project report shall be adjudicated by one examiner selected by the Chief Controller of Examinations. The HoD of Management Studies shall submit a 5-member panel who are eminent in that field of study.
- (vii) The Viva-voce Examination of the project report shall be conducted by a board consisting of the External Examiner, the HoD and the Supervisor. The candidate shall secure Excellent/Good/Satisfactory Grade in Project Viva-voce. Head of the Department shall coordinate and make arrangements for the conduct of Viva-voce examination.
- (viii) If the candidate fails to secure a minimum of Satisfactory Grade in project Viva-voce, the candidate shall retake the Viva-voce examination after three months. If he fails to get at least

Satisfactory Grade at the second Viva-voce examination, he will not be eligible for the award of the degree, unless the candidate is asked to revise and resubmit. If the candidate fails to secure Satisfactory Grade again, the project shall be summarily rejected.

Grade: Excellent/Good/Satisfactory/ Unsatisfactory

8. AWARD OF GRADES

A letter grade and grade points shall be awarded to a student in each course based on his/her performance as per the 10 - point grading system given below:

Marks Range Theory (Max-100)	Marks Range Lab (Max-100)	Letter Grade	Level	Grade Point
≥90	≥90	O	Outstanding	10
80 to < 90	80 to < 90	S	Excellent	9
70 to <80	70 to <80	A	Very Good	8
60 to <70	60 to <70	B	Good	7
50 to <60	50 to <60	C	Fair	6
<50	<50	F	Fail	0
			Absent	0

9. COMPUTATION OF GRADES

SGPA:

The following procedure is to be adopted to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA). The SGPA is the ratio of sum of the product of the number of credits with the grade points by a student in all the courses taken by a student and the sum of the number of credits of all the courses undertaken by a student, i.e.

$$\text{SGPA } (S_i) = \sum (C_i \times G_i) / \sum C_i$$

Where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

CGPA:

The CGPA is also calculated in the same manner taking into account all the courses undertaken by a student over all the semesters of a programme i.e.,

$$\text{CGPA} = \sum (C_i \times S_i) / \sum C_i$$

Where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

The SGPA and CGPA is rounded off to 2 decimal points and reported in transcripts.

$$\text{Equivalent Percentage} = (\text{CGPA} - 0.75) \times 10$$

10. AWARD OF CLASS

After a student has satisfied the minimum requirements prescribed for the completion of a programme and is eligible for the award of MBA degree, he/she shall be placed in one of the following four classes on a 10 point scale.

Class Awarded	CGPA
First Class with Distinction	≥ 7.75
First Class	6.75 to < 7.75
Second Class	5.75 to < 6.75
Pass Class	5.0 to < 5.75

11. DISCIPLINE

A student is required to observe discipline and decorum both inside and outside the college and not to indulge in any activity that may tarnish the prestige of the college. The Head of the Institution shall constitute a Disciplinary Committee to enquire into acts of indiscipline and notify the college about the disciplinary action taken. In case of any serious disciplinary action, which leads to suspension or dismissal, a committee shall be constituted by the Head of the Institution for taking final decision.

Those students who indulge in examination-related malpractices shall be punished as per the scale of punishment notified in Annexure-I.

Those students involved in the illegal acts of ragging shall be punished as per the provisions of Act 26, 1997 of Govt. of Andhra Pradesh (Annexure-II).

12. REVISION OF REGULATIONS, CURRICULUM AND SYLLABI

The college may revise, amend or change the regulations, curriculum, syllabus and scheme of examinations from time to time subject to decisions/recommendations of Boards of Studies and the College Academic Council.

13. WITHHOLDING OF RESULTS

If a student has not cleared dues, if any, payable to the institution or if any case of indiscipline is pending against him, the result of the student shall be withheld. Also, the award of his/her degree is withheld in such cases.

14. TRANSITORY REGULATIONS

A student, who is detained or who has discontinued in the semester, on readmission shall be required to do all the courses in the curriculum prescribed for the batch of students in which the student joins subsequently. However, exemption will be given to those students who have already passed courses in the earlier semester(s) he/she was originally admitted into and substitute courses are offered in place of these courses as approved by the Board of Studies.

In general, after transition, there will be a fitment formula approved by the competent authority in order to balance course composition and the number of credits.

Students admitted by transfer from other institutions shall follow transitory regulations with suitable fitment formulae approved by the competent authority.

A student who is seeking readmission shall apply in the prescribed format within one week after the commencement of the class work. However, the readmission of a student shall be approved by the competent authority.

15. GENERAL

- (i) Wherever the words "he", "him", "his" occur in the regulations, they include "she", "her", "hers".
- (ii) The academic regulations should be read as a whole for the purpose of any interpretation.
- (iii) In case of any doubt or ambiguity in the interpretation of the above rules, decision of the Chairman of the College Academic Council is final and binding.
- (iv) The college may change or amend academic regulations or syllabi at any time subject to the approval of the competent authority and the changes or amendments made shall be applicable to all students with effect from the dates notified.

16. STATUTORY DECLARATION

In case the regulations do not specify application of an appropriate rule in a unique case, the decision of the competent authority of the college shall be final.

ACADEMIC REGULATIONS (MIC18) FOR M Tech (REGULAR) (CHOICE BASED CREDIT SYSTEM)

Applicable for the students of M Tech (Regular) from the Academic Year 2018-19

1. ELIGIBILITY CRITERIA FOR ADMISSION

The eligibility criteria for admission into M. Tech programme shall be as per the guidelines issued by the Andhra Pradesh State Council of Higher Education (APSCHE) or by any other competent authority.

2. PROGRAMMES OFFERED (M Tech)

A student shall be offered admission into any one AICTE-approved programme as given below:

S. No	Programme
1	Power Electronics & Electric Drives (ED)
2	Machine Design (MD)
3	VLSI & ES (VE)
4	Computer Science (CS)

3. AWARD OF DEGREE

A student will be declared eligible for the award of M. Tech. degree, if he/she fulfils the following academic requirements:

2 year M Tech programme:

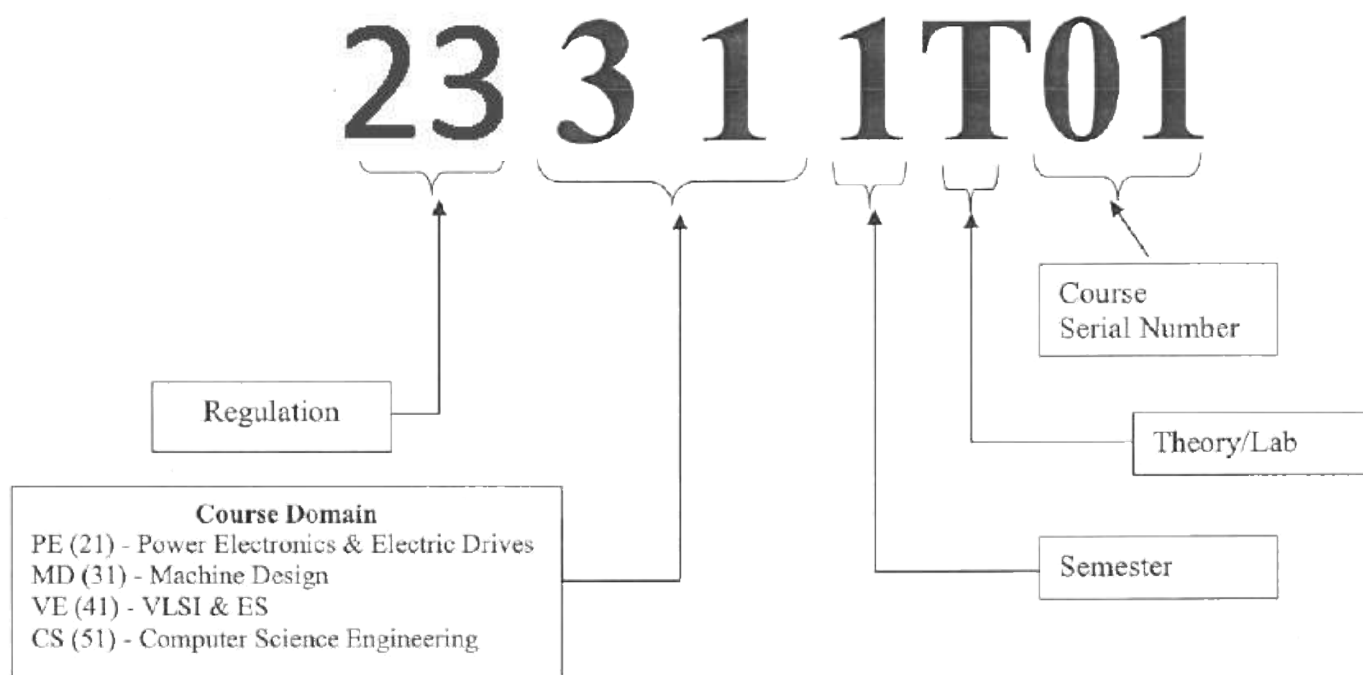

- The student shall pursue a course of study for not less than two academic years and not more than four academic years.
- The student shall register for 68 credits and secure all the 68 credits.
- The students, who fail to fulfill all the academic requirements for the award of degree within four academic years from the year of their admission, shall forfeit their seat in M Tech programme.
- There shall be no disciplinary action pending against the student.

4. MINIMUM INSTRUCTION DAYS

The minimum instruction days for each semester shall be 90 days excluding the days allotted for Mid-term Examinations, Semester-end Examinations and preparation holidays.

5. COURSE CODE DESCRIPTION

For M. Tech Programme

6. ATTENDANCE REQUIREMENTS

- (i) A student is eligible to appear in the Semester-end Examinations only if he/she acquires a minimum of 75% of attendance in aggregate of all the courses.
- (ii) In case of shortage of attendance, condonation up to 10 % in the aggregate will be allowed on valid medical grounds (65% and above and below 75%) in each semester by the college in accordance with the rules stipulated by the affiliating university.
- (iii) A shortage of attendance below 65% in aggregate shall not be condoned under any circumstances.
- (iv) A student whose shortage of attendance is not condoned will be detained and shall have to seek readmission into the same semester.
- (v) A student is required to submit the application along with the valid medical certificate by paying the stipulated fee towards condonation of shortage in attendance.

- (vi) If any student fulfils the attendance requirements in the present semester, he/she shall not be eligible for readmission into the same semester.

7. EVALUATION

The performance of the candidate in each semester shall be evaluated subject-wise, with a maximum of 100 marks for theory and 100 marks for practicals, on the basis of Continuous Internal Evaluation (CIE) and Semester End Evaluation (SEE).

- 7.1 For the theory subjects, 60 marks shall be awarded based on the performance in the SEE and 40 Marks shall be awarded based on the CIE. The internal evaluation shall be made based on the average of the marks secured in the two Mid-term Examinations conducted-one in the middle of the Semester and the other immediately after the completion of instruction. Each Mid-term Examination shall be conducted for a total duration of 120 minutes with 4 questions (without choice), each question for 10 marks. Semester End Examination is conducted for 60 marks where 5 questions are to be answered with internal choice.
- 7.2 For practical subjects, 60 marks shall be awarded based on the performance in the End Semester Examinations and 40 marks shall be awarded based on the day to day performance as Internal Marks.
- 7.3 For the courses like Seminars/Mini project/Mini Project with Seminar, there shall be an internal evaluation for 100 marks by the PRC. For Seminars/Mini project/Mini Project with Seminar, a student under the supervision of a faculty member, shall collect the literature on a topic and critically review the literature and submit it to the department in a report form/fabricated model and shall make an oral presentation before the Project Review Committee consisting of Head of the Department, Supervisor and two other senior faculty members of the department. A candidate has to secure a minimum of 50% of marks to be declared as passed.
- 7.4 A candidate shall be deemed to have secured the minimum academic requirement in a subject if he secures a minimum of 40% of marks in the End Semester Examination and a minimum aggregate of 50% of the total marks in the End Semester Examination and Internal Evaluation taken together.
- 7.5 In case the candidate does not secure the minimum academic requirement in any subject (as specified in 7.4) he has to reappear for the End Semester Examination in that subject. A candidate shall be given one chance to re-register for each subject provided the internal marks secured by a candidate are less than 50% and has failed in the End Examination. In such a case, the candidate must re-register for the subject(s) and secure the required minimum attendance. The candidate's

attendance in the re-registered subject(s) shall be calculated separately to decide upon his eligibility for writing the End Examination in those subject(s). In the event of the student taking another chance, his internal marks and End Examination marks obtained in the previous attempt stand cancelled. For re-registration, the candidates have to follow the procedures constituted by the Academic Council before the start of the semester in which re-registration is required.

7.6 In case the candidate secures less than the required attendance in any re registered subject (s), he shall not be permitted to write the End Examination in that subject. He shall again re-register the subject when next offered.

7.7 Laboratory examination for M. Tech. courses must be conducted with two examiners, one of them being the Laboratory Class Teacher or teacher of the respective college and the second examiner shall be appointed by the Controller of Examinations from the panel of 4 examiners submitted by the respective HoD.

8. EVALUATION OF PROJECT/DISSERTATION WORK

Dissertation work is divided into Dissertation-I and Dissertation-II

Dissertation-I:

The work on dissertation-I shall be initiated at the beginning of the III Semester and the duration of the Dissertation-I is six months. This includes identification of research problem and collection of relevant data based on literature survey. A student under the supervision of a faculty member shall collect the literature on a topic and critically review the literature and submit it to the department in a report (Plagiarism Checked) form and shall make an oral presentation before the Project Review Committee consisting of Head of the Department, Supervisor and two other senior faculty members of the department. This is to be approved by the PRC. The PRC shall jointly report the candidate's work as Excellent/Good/Satisfactory/Unsatisfactory.

The Head of the Department shall coordinate and make arrangements for the conduct of Viva-voce examination.

Dissertation-II:

The work starts in IV semester and it is the continuation work of Dissertation I. It includes execution of research of Dissertation I Results, Analysis and conclusion of the executed work.

8.1 Registration of Project Work: A candidate is permitted to register for the Project Work after satisfying the attendance requirement of all the subjects, both theory and practical.

8.2 If a candidate wishes to change his Supervisor or topic of the project, he can do so with the approval of the Project Review Committee (PRC). However, the Project Review Committee (PRC) shall examine whether or not the change of topic/Supervisor leads to a major change

of his initial plans of project proposal. If yes, his date of registration for the Project Work starts from the date of change of Supervisor or topic as the case may be.

- 8.3 A candidate shall submit his status report in two stages at least with a gap of 3 months between them.
- 8.4 The work on the project shall be initiated at the beginning of the II year and the duration of the project is two semesters. A candidate is permitted to submit Project Dissertation (Plagiarism-checked report countersigned by the Supervisor to be submitted in the Exam Cell) only after successful completion of theory and practical course with the approval of PRC not earlier than 40 weeks from the date of registration of the Project Work. The candidate has to pass all the theory and practical subjects before submission of the Thesis.
- 8.5 Three copies of the Project Dissertation certified by the Supervisor shall be submitted to the College.
- 8.6 The Dissertation shall be adjudicated by one Examiner selected by the Chief Controller of Examinations. For this, the Head of the Department shall submit a panel of 4 examiners, eminent in that field, with the help of the Supervisor concerned.
- 8.7 If the report of the Examiner is not favourable, the candidate shall revise and resubmit the Dissertation, in the time frame as decided by the PRC. If the report of the examiner is unfavorable again, the Dissertation shall be summarily rejected. The candidate has to re-register for the project and complete the project within the stipulated time after taking the approval from the Head of the Institution.
- 8.8 If the report of the Examiner is favorable, Viva-voce Examination shall be conducted by a board consisting of the Supervisor, Head of the Department and the Examiner who adjudicated the Dissertation. The Board shall jointly report the candidate's work as Excellent /Good /Satisfactory /Unsatisfactory.

The Head of the Department shall coordinate and make arrangements for the conduct of Viva-voce Examination.

- 8.9 If the report of the Viva-voce is unsatisfactory, the candidate shall retake the Viva-voce Examination only after three months. If he fails to get a minimum grade of SATISFACTORY at the second Viva- voce examination, the candidate has to re-register for the project and complete the project within the stipulated time after taking the approval from the Head of the Institution.

9. AWARD OF GRADES

A letter grade and grade points shall be awarded to a student in each course based on his/her performance as per the 10-point grading system given below:

Marks Range Theory (Max-100)	Marks Range Lab (Max-100)	Letter Grade	Level	Grade Point
≥90	≥90	O	Outstanding	10
80 to < 90	80 to < 90	S	Excellent	9
70 to <80	70 to <80	A	Very Good	8
60 to <70	60 to <70	B	Good	7
50 to <60	50 to <60	C	Fair	6
<50	<50	F	Fail	0
			Absent	0

10. COMPUTATION OF GRADES

SGPA:

The following procedure is to be adopted to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

The SGPA is the ratio of sum of the product of the number of credits with the grade points by a student in all the courses taken by a student and the sum of the number of credits of all the courses undertaken by a student i.e.,

$$\text{SGPA} (S_i) = \Sigma (C_i \times G_i) / \Sigma C_i$$

Where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

CGPA:

The CGPA is also calculated in the same manner taking into account all the courses undertaken by a student over all the semesters of a programme i.e.,

$$\text{CGPA} = \Sigma (C_i \times S_i) / \Sigma C_i$$

Where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

The SGPA and CGPA is rounded off to 2 decimal points and reported in transcripts.

$$\text{Equivalent Percentage} = (\text{CGPA} - 0.75) \times 10$$

11. AWARD OF CLASS

After a student has satisfied the minimum requirements prescribed for the completion of a programme and is eligible for the award of M.Tech degree, he/she shall be placed in one of the following four classes on a 10 point scale.

Class Awarded	CGPA
First Class with Distinction	≥ 7.75
First Class	6.75 to < 7.75
Second Class	5.75 to < 6.75
Pass Class	5.0 to < 5.75

12. DISCIPLINE

A student is required to observe discipline and decorum both inside and outside the college and not to indulge in any activity that may tarnish the prestige of the college. The Head of the Institution shall constitute a Disciplinary Committee to enquire into acts of indiscipline and notify the college about the disciplinary action taken. In case of any serious disciplinary action, which leads to suspension or dismissal, a committee shall be constituted by the Head of the Institution for taking final decision.

Those students who indulge in examination-related malpractices shall be punished as per the scale of punishment notified by JNTUK, Kakinada (Annexure-I).

Those students involved in the illegal acts of ragging shall be punished as per the provisions of Act 26, 1997 of Govt. of Andhra Pradesh (Annexure-II).

13. REVISION OF REGULATIONS, CURRICULUM AND SYLLABI

The college may revise, amend or change the regulations, curriculum, syllabus and scheme of examinations from time to time subject to decisions/recommendations of Boards of Studies and the College Academic Council.

14. WITHHOLDING OF RESULTS

If a student has not cleared dues, if any, payable to the institution or any case of indiscipline is pending against him, the result of the student will be withheld. Also, the award of his/her degree is withheld in such cases.

15. TRANSITORY REGULATIONS

A student, who is detained or who has discontinued in the semester, on readmission shall be required to do all the courses in the curriculum prescribed for the batch of students in which the student joins subsequently. FIRST MEETING OF BOARD OF STUDIES IN CHEMISTRY
MINUTES OF THE MEETING

The first meeting of the Board of Studies in Chemistry held on 04-11-2023 at 11.00 am. Chaired by Dr. V. Madhuri, Chairman, BoS Physics. The meeting was started by extending a warm welcome to Dr. S. Satya Veni (University Nominee), Professor & Head of Chemistry, UCEK, JNTU-Kakinada; Dr. D. Naga Raju (Subject Expert), Professor, Department of Chemistry, Vignan University Guntur, Dr. K. Lakshmi (Subject Expert), Asst. Professor, BEC Bapatla and all the faculty members of department.

The following is the Agenda:

1. Syllabus Approval for Engineering Chemistry Theory (R-23)
2. Syllabus Approval for Engineering Chemistry Lab (R23)
3. Any other topic with the permission of the Chair.

Suggestions:

1. Dr. S. Satya Veni suggested to consider two Course Objectives instead of three.
2. Dr. S. Satya Veni suggested to add three more Volumetric analysis to chemistry lab experiments in the JNTUK R-23 syllabus.
3. Dr. S. Satya Veni suggested to modify CO3 from explain the principles of Spectrometry, **slc** in separation of solid and liquid mixtures to explain the principles of Spectrometry, **hplc** in separation of solid and liquid mixtures.
4. Dr. D. Naga Raju suggested to change the experiment name from **Identification of simple Organic compounds by IR** to **Identification of simple Organic compounds by IR SPECTROMETER**.

Resolutions

1. The Board of Studies has unanimously approved the syllabus proposed for Engineering Chemistry Theory (R-23).
2. The board of Studies has suggested to add three more volumetric analysis experiments for Engineering Chemistry Lab (R-23), and the experiments are
 - (1) Determination of HCl using standard Na_2CO_3 solution.
 - (2) Determination of alkalinity of a sample containing Na_2CO_3 and NaOH.
 - (3) Determination of Temporary and permanent hardness of water using standard EDTA solution.
